The totally-new, totally-electric 2008 **CRICKET ELECTRIC SPORT VEHICLE** is the perfect blend of form and function. It is easy to handle, easy to stow inside almost any larger vehicle, and it can even be carried easily in a lightweight rear platform on RVs, most small campers, pickups, and SUVs.

**CRICKET ESV** seats two adults comfortably, is extremely quiet, environmentally friendly, and economical to operate.

It's also handy around campgrounds.
